## Calculus

INBPA0207-21

| Course code   | Type                | Hours | Class schedule                              | Lecturer                  |                         |
|---------------|---------------------|-------|---------------------------------------------|---------------------------|-------------------------|
| INBPA0207G-03 | Practical, Normal   | 2     | W:14:00-16:00(IK-TEOKJ fszt. 108. (IV.ea.)) | Gupta Sarthak, Nagy Gergő | <a href="#">Details</a> |
| INBPA0207E    | Theoretical, Normal | 2     | W:08:00-10:00(IK-F0)                        | Nagy Gergő                | <a href="#">Details</a> |

## Data structures and algorithms

INBPA0206-17

| Course code   | Type                | Hours | Class schedule        | Lecturer                                 |                         |
|---------------|---------------------|-------|-----------------------|------------------------------------------|-------------------------|
| INBPA0206G-05 | Practical, Normal   | 2     | F:08:00-10:00(IK-202) | Sayor S M Sadman Sakib, Dr. Horváth Géza | <a href="#">Details</a> |
| INBPA0206E    | Theoretical, Normal | 2     | TU:08:00-10:00(IK-F0) | Dr. Horváth Géza                         | <a href="#">Details</a> |

## Database systems

INBPA0208-17

| Course code | Type                | Hours | Class schedule        | Lecturer                |                         |
|-------------|---------------------|-------|-----------------------|-------------------------|-------------------------|
| INBPA0208E  | Theoretical, Normal | 2     | TU:14:00-16:00(IK-F0) | Dr. Adamkó Attila Tamás | <a href="#">Details</a> |

## Database systems lab

INBPA0209-17

| Course code   | Type               | Hours | Class schedule                      | Lecturer                               |                         |
|---------------|--------------------|-------|-------------------------------------|----------------------------------------|-------------------------|
| INBPA0209L-12 | Laboratory, Normal | 2     | W:16:00-18:00(IK-TEOKJ II. em. 111) | Belics Fanni, Dr. Vágner Anikó Szilvia | <a href="#">Details</a> |

## High-level programming languages 1

INBPA0211-21

| Course code | Type | Hours | Class schedule | Lecturer |  |
|-------------|------|-------|----------------|----------|--|
|-------------|------|-------|----------------|----------|--|

|               |                     |   |                       |                                          |                              |
|---------------|---------------------|---|-----------------------|------------------------------------------|------------------------------|
| INBPA0211E    | Theoretical, Normal | 2 | TU:12:00-14:00(IK-F0) | Dr. Adamkó Attila Tamás                  | <a href="#">Details &gt;</a> |
| INBPA0211L-07 | Laboratory, Normal  | 2 | W:10:00-12:00(IK-207) | Dr. Kádek Tamás, Dr. Adamkó Attila Tamás | <a href="#">Details &gt;</a> |

## Hungarian Language 2 (elementary level)

TTIS\_HUNG\_LANG2

| Course code         | Type      | Hours | Class schedule                                                    | Lecturer     |                              |
|---------------------|-----------|-------|-------------------------------------------------------------------|--------------|------------------------------|
| TTIS_HUNG_LANG2_MK4 | Practical | 4     | TU:16:00-18:00(MK_227.tanterem); TU:18:00-20:00(MK_226.rajzterem) | Bencze Tamás | <a href="#">Details &gt;</a> |

## Network architectures and protocols

INBPA0210-17

| Course code   | Type                | Hours | Class schedule        | Lecturer                              |                              |
|---------------|---------------------|-------|-----------------------|---------------------------------------|------------------------------|
| INBPA0210E    | Theoretical, Normal | 2     | TU:10:00-12:00(IK-F0) | Dr. Gál Zoltán                        | <a href="#">Details &gt;</a> |
| INBPA0210L-06 | Laboratory, Normal  | 2     | F:10:00-12:00(IK-311) | Dr. Szilágyi Szabolcs, Dr. Gál Zoltán | <a href="#">Details &gt;</a> |

## Physical Education

SI-003

| Course code   | Type      | Hours | Class schedule                                                                              | Lecturer         |                              |
|---------------|-----------|-------|---------------------------------------------------------------------------------------------|------------------|------------------------------|
| TES-K Running | Practical | -     | TU:10:00-11:30(SI-Móricz Zs. körúti Testnevelési Csoport (Móricz Zs. körút 22.) tornaterem) | Dr. Nagy Ágoston | <a href="#">Details &gt;</a> |

## Work and Fire Safety Training

Munkavedelem

| Course code    | Type       | Hours | Class schedule | Lecturer                             |                              |
|----------------|------------|-------|----------------|--------------------------------------|------------------------------|
| IK-teljesített | E-Learning | 0     | -              | Majoros Vanda Nikolett, Berki Csilla | <a href="#">Details &gt;</a> |
